

Forget resolutions...

Start off the New Year with your *Personal Blueprint for Success!*

Would you force yourself to wear shoes that don't fit? Then why force a life that doesn't fit?

With A Self-Portrait™ Personal Success Profile, you will explore your True Identity, experience freedom from negative messages and controlling beliefs that you might have grown up with, and re-discover your Power Traits. You will learn how to integrate your Dispositions, Modalities, Interests, Talents, and Preferred Environment for maximum happiness and success!

Join us on January 16, 2010 from 1:30 to 4:30

Set your course for 2010...
